Notes:

The Victorian Skills First (VSF) program provides subsidies for training to eligible individuals. This training is delivered with Victorian and Commonwealth Government funding. Individuals with disabilities are encouraged to access training subsidised through the Skills First Program.

VSF program is available to eligible individuals undertaking training with a physical presence in Victoria. Please see our Funding Eligibility information to determine whether you may be eligible.

FFS refers to a Fee for Service enrolment in which a student is not accessing a subsidised training place such as that offered under the Victorian Skills First program (VSF) or funding programs that may be offered in jurisdictions other than Victoria.

If your course is being subsidised by the Victorian and Commonwealth Governments under the Skills First program, please be aware that enrolling in the above course may affect your future training options and eligibility for further government subsidised training under the Skills First program. For more information on government subsidised training go to: <http://www.skills.vic.gov.au/victorianskillsgateway/Students/Pages/vtg-eligibility-indicator.aspx?Redirect=1>

Note: prior to enrolment, all applicants will undertake a Pre-Training Review administered by the RTO.

^This course requires the demonstration of a minimum of 100 hours VET facilitation practise and assessment of a minimum of 20 individuals for at least 50 separate unit assessments and therefore requires access to a suitable training and assessment environment/role

*This qualification is not offered with the VSF subsidy by this RTO in 2017.

All fees are quoted in Australian dollars.

All tuition fees as published are subject to periodic review. Student contribution amounts may be subject to change if there are changes to the VSF subsidy as determined by the Victorian Department of Education and Training, however, such changes will not affect currently enrolled students or those who have applied or registered for enrolment prior to the changes being published.

Student tuition fees as published are subject to change given individual circumstances at enrolment.

Most fees as published include uniform, placement charges, police check, materials and resources, however some programs may incur additional fees. Refer to our Fees and Funding page for further information.
